## THE LOYAL TOAST.

May be Drunk in Water.

The superstition that it is necessary,  
when drinking the King's health, to pledge  
his Majesty in a draught of some alcoholic  
liquor has been exploded.

As long ago as October, 1902, Rear  
Admiral King-Hall obtained an opinion  
from his Majesty, through Lord Knollys,  
that total abstinence need compromise  
neither their loyalty nor their convictions  
when drinking his Majesty's health.

Permission to publish the letter, which  
was at first employed for private circulation,  
has now been granted by his Majesty, and  
here it is:—

Dear, Captain King-Hall,—  
His Majesty is afraid that it would be  
difficult to make any public announcement  
that he considers his health can be as  
loyally drunk in water as in wine.

The King commands me, however, to say  
that you are authorised to make it known  
"privately," and in any way that you  
think best, and you are authorised to state  
that total abstinence can always drink his  
health in some non-alcoholic drink to his  
entire satisfaction.

October 17, 1902.

Navy totalitarians have been aware of this  
glorious expression of opinion on the part  
of his Majesty for the past three years.

The publication of the letter now comes  
as a boon to many a harassed abstainer,  
who has frequently been caught between  
his heartfelt loyalty and the sanctity of his  
temperance pledge.

WOMEN serve as medical officers in the  
Russian army. In no other country of  
Europe is such employment given to the  
sex.

Few ladies are aware that they carry some  
40 or 50 miles of hair on their heads; the  
fair-haired may even have to cross 70 miles  
of threads of gold every morning.

MANY of the most successful teachers in  
England, have, as a condition of their  
employment, been required to abstain  
from the use of perfumes, or  
the proximity of odorous flowers.

FIFTY thousand, eight hundred and forty-  
seven police-constables are required to  
protect London, and for this protection the  
citizens pay \$1,000,000 a year.

THE  
LONDON DIRECTORY,

CONTAINING over 2,000 pages of con-  
densed commercial matter, enables  
enterprising traders throughout the Empire  
to keep in close touch with the trade of the  
Motherland. Besides being a complete  
commercial guide to London and its sub-  
urbs, the London Directory contains lists  
of:—

EXPORT MERCHANTS,  
with the Goods they ship, and the Colonial  
and Foreign markets they supply;

STEAMSHIP LINES,  
arranged under the Ports to which they sail,  
and indicating the approximate sailings;

PROVINCIAL APPENDIX  
of Trade Notices of leading Manufacturers,  
Merchants, etc., in the principal provincial  
towns and industrial centres of the United  
Kingdom.

A copy of the 1905 edition will be for-  
warded, freight paid, on receipt of Post  
Office Order for £1.

## WELL DONE, "IPHIGENIA!"

The return of the gunlayers' team of 1905, just published by the Admiralty, shows that the China Squadron took seventh place in the twelve fleets and squadrons which competed. The best shooting ship of the fourteen in the squadron was the *Iphegenia*, which scored a total of 57.40, the best shot with the 6 in. gun being petty officer H. Burgess, and the best shot with the 4 in. gun, able seaman S. Edward. The other ships in the order of merit were—*Sutlej*, *Ocean*, *Sirius*, *Hogue*, *Astron*, *Andromeda*, *Diadem* (now the flagship), *Centurion* (whose alleged inaccurate sights caused such comment), *Glory* (ex-*flagship*), *Olic*, *Calcutta*, *Albion* (ex-*flagship*), and *Bonaventure*, which joined the squadron from the abolished Pacific Squadron. It cannot be said that the squadron did well. It formerly held the pride of place in these returns, but it has been steadily on the down grade for some time. Its friends hope to see it again at the top of the list, instead of yfthis four of the bottom.

## THE FATAL PHONOGRAPH.

## An Unfortunate Record.

The *Daily Mirror* manages to get hold of some extraordinary stories. The following from that journal's Paris correspondent would be hard to beat:—That it is sometimes most imprudent to register private phonograph records is shown by an adventure that has befallen a lady in Paris, which will lead to her husband taking divorce proceedings against her.

M. Partant, an insurance agent, gave a party at his house. Among those present was his friend M. Paul Carmin.

After his wife, Amelia, who is a good singer, had given a song, M. Partant brought out a phonograph and played what he thought was the record of a comic song in the machine.

To the surprise of all, however, it was a duet that was rendered, and the voices were recognised to be those of Mme. Partant and M. Carmin.

The duet was interlarded with the sounds of kissing, and with various exclamations, such as 'Paul, my precious', 'Amelie, my own sweet one'.

The party broke up in confusion. The husband sent for a policeman, and accompanied his wife and his friend to the office of the district magistrate, where he charged the pair with misconduct and left the phonograph record as proof of the fact.

## A SAFE REMEDY FOR ALL SKIN AND BLOOD DISEASES

If you suffer from any disease due to an impure state of the blood, such as Eczema, Acne, Pimples, Itch, and all other skin diseases, you should use Clarke's Blood Mixture, the world-famous Blood Purifier and Restorer. This medicine has 40 years' reputation, and is to-day more popular than ever, the reason of this being undoubtedly because this wonderful remedy does what it professes to do—it cures SKIN AND BLOOD DISEASES PERMANENTLY.

## Clarke's Blood Mixture

IS THE FINEST FLOOD PURIFIER EVER DISCOVERED.

It is warranted to cleanse the blood from all impurities, from whatever cause arising. For

**SCROFULA, BAD LEGS, SCURVY, ECTHIMA, BLOOD POISON, ULCERS, PIMPLES, and SKIN & BLOOD DISEASES OF ALL KINDS.**

It is a safe and Permanent Remedy. It is the only specific for Scrofula and Ecthima, for it removes the cause from the blood and bones. NOTE: This mixture is pleasant to the taste and is guaranteed free from any trace of either opium, or any other drug, and is the only remedy that can be taken by the young and old, and the Proprietors' solicitors to give it a trial to test its value. Thousands of wonderful cures have been effected by it.

TRIED MANY THINGS WITHOUT REMEDY UNTIL I TOOK CLARKE'S BLOOD MIXTURE. Mr. E. E. Lewis, 48, Bridge Street Row, Chester, writes:—Just a line in favour of 'Clarke's Blood Mixture.' I had eczema for seven months, and tried many things without benefit until I took your remedy. After the eighth bottle I was quite well again. Please accept this letter as a token of gratitude to your wonderful 'Clarke's Blood Mixture.'—June 13, 1905.

Impurities in the Blood.—'We have seen hosts of letters from the writers acknowledging the results, in which the writers acknowledge the benefit they have received from Clarke's Blood Mixture, which as a curative agent cannot be too highly estimated, since it cleanses and cures the blood from all impurities, and restores it to its normal condition. This is a good testimonial from the Family Doctor, the popular medical weekly, which goes on further to say: 'It is certainly the finest blood purifier that can be taken with the greatest confidence, and we can recommend it to our subscribers and public generally.'

Sold by all Chemists and Patent Medicine Vendors throughout the World.

Ask for CLARKE'S BLOOD MIXTURE and beware of imitations and adulterations.
